### Description

The Resuscitation Quality Improvement (RQI)<sup>®</sup> Healthcare Provider Program is the performance improvement program from AHA that delivers quarterly training to support mastery of high-quality CPR skills. This program delivers a low-dose, high-frequency model, allowing learners to receive content on a quarterly schedule to support the implementation of more frequent training as recommended in the 2020 Guidelines. Learners are measured each session on their ability to demonstrate their competency of both clinical knowledge and the technical skills of CPR.

### Learning Objectives

At the conclusion, participants should be able to

1. Describe the importance of high-quality CPR and its impact on survival
2. Describe all of the steps of the Chain of Survival
3. Apply the BLS concepts of the Chain of Survival
4. Recognize the signs of someone needing CPR
5. Perform high-quality CPR for an adult
6. Describe the importance of early use of an AED
7. Demonstrate the appropriate use of an AED
8. Provide effective ventilation by using a barrier device
9. Perform high-quality CPR for a child
10. Describe the importance of teams in multirescuer resuscitation
11. Perform as an effective team member during multirescuer CPR
12. Perform high-quality CPR for an infant
13. Describe the technique for relief of foreign-body airway obstruction for an adult or child
14. Describe the technique for relief of foreign-body airway obstruction for an infant

### Accreditation Terms

Joint Accreditation: 12/31/2023 – 12/30/2026

CAPCE: 12/31/2023 – 12/30/2026

AARC: N/A

### Accreditation Statements

## Joint Accreditation Statements

In support of improving patient care, this activity has been planned and implemented by The American Heart Association. The American Heart Association is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### **AMA Credit Designation Statement - Physicians**

The American Heart Association designates this activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **AAPA Credit Acceptance Statement – Physician Assistants**

AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 1.00 hours of Category I credit for completing this program.

### **AANP Credit Acceptance Statement – Nurse Practitioners**

American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME.

### **ANCC Credit Designation Statement - Nurses**

The maximum number of hours awarded for this CE activity is 1.00 contact hours.

### **ACPE Credit Designation Statement – Pharmacists**

ACPE Credit: 0.75 Contact Hours. Universal Program Number: JA0000134-0000-23-145-H04-P

### **Continuing Education Accreditation – Emergency Medical Services**

This continuing education activity is approved by the American Heart Association, an organization accredited by the Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE), for 0.75 Advanced CEHs, activity number 23-AMHA-F4-0054.

By claiming CAPCE credit, the claimant acknowledges the following: I understand that the American Heart Association as a requirement of CAPCE accreditation will submit a record of my course completions to the CAPCE AMS. I further understand that my course completion records may be accessed by or shared with such regulators as state EMS offices, training officers, and NREMT on a password-protected, need-to-know basis. In addition, I understand that I may review my record of CAPCE-accredited course completions by contacting CAPCE.

### **Participation and Successful Completion**

- I. Learners will register through RQI 1Stop or related LMS
- II. Attendees will claim credit on a variety of online LMSs

Successful completion of this CE activity includes the following:

1. Complete all portions of the online course
2. Complete the course evaluation
3. Print the Certificate/Statement of Credit

### **Disclosure Statement**

All persons in a position to control educational content of a CE activity provided by the American Heart Association must disclose to the audience all financial relationships with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. The presence or absence of all financial relationships will be disclosed to the audience in activity materials. All unlabeled/unapproved uses of drugs or devices discussed will also be disclosed to the audience. All relevant financial relationships have been mitigated prior to the commencement of the activity.

The following authors/faculty have declared NO financial interest(s) and/or affiliations:

Jose G. Cabañas, MD, MPH  
Jeanette Previdi, MPH, RN  
Bryan Fischberg, NRP  
Sarah Livings, PharmD  
Kenza Martin, MSHSA, RN, PMP  
Amber Hoover, RN, MSN  
Comilla Sasson, MD, PhD  
Deanna Rodriguez, MBA  
Lauren Sanderson, MS

This list represents the relationships that may be perceived as actual or reasonable conflicts of interest as reported on the Disclosure Questionnaire, which all AHA volunteers are required to complete and submit. The focus is on relevant financial relationships with commercial interests in the 24-month period preceding the time that the individual is being asked to assume a role controlling content:

N/A

### **Target Audiences**

1. Physicians
2. Physician Assistants
3. Nurse Practitioners
4. Nurses
5. Pharmacists

## 6. EMS

### **ADA Statement**

RQI Partners is committed to diversity and inclusion as a core value. We are committed to ensuring digital accessibility across all our programs and platforms as meaningful as possible, conforming to Section 508 of the U.S. Rehabilitation Act as amended and endeavors to conform to the W3C level of WCAG 2.1 AA standards.

Accessibility is a priority at RQI Partners, and we are committed to making it a core consideration from the earliest stages of program design through release and life cycle management. We are transparent in our accessibility efforts. We audit and verify our applications using third-party vendors who assess our accessibility compliance through automatic and manual testing with assistive technology devices and users with disabilities.

Our accessibility efforts are underway, and we are continuously updating to improve. We recognize that there may be occasions when users experience difficulty accessing information. If you need assistance with our applications or have any questions or comments about our accessibility, please contact us at [RQIQuestions@rqipartners.com](mailto:RQIQuestions@rqipartners.com)
