

RQI® Healthcare Provider Prep; Enduring Web course

ORIGINAL RELEASE DATE: 04/09/2021
LAST REVIEW DATE: September 2020
TERMINATION DATE: 10/20/2023

DESCRIPTION:

RQI Healthcare Provider trains participants to promptly recognize several life-threatening emergencies, give high-quality chest compressions, deliver appropriate ventilations and provide early use of an AED. This program reflects science and education from the 2020 American Heart Association Guidelines for CPR and Emergency Cardiovascular Care. This program is designed for healthcare professionals and other personnel who need to know how to perform CPR and other basic cardiovascular life support skills in a wide variety of in-facility and prehospital settings. The RQI programs provide a high-reliability platform for simulation-based mastery learning, implemented through low-dose, high-frequency quality improvement sessions that measure and verify competence.

LEARNING OBJECTIVES:

At the conclusion, participants should be able to:

- 1) Describe the importance of high-quality CPR and its impact on survival
- 2) Describe all the steps of the Chain of Survival
- 3) Apply the BLS concepts of the Chain of Survival
- 4) Recognize when someone needs CPR
- 5) Perform high-quality CPR for an adult, a child, and an infant
- 6) Describe the importance of early use of an AED
- 7) Demonstrate the appropriate use of an AED
- 8) Provide effective ventilation by using a barrier device
- 9) Describe the importance of teams in multirescuer resuscitation
- 10) Perform as an effective team member during multirescuer CPR
- 11) Describe how to relieve foreign-body airway obstruction for an adult, a child, and an infant

ACCREDITATION TERMS:

Joint Accreditation: 04/09/2021 – 10/20/2023
CAPCE: 04/09/2021 – 10/20/2023

ACCREDITATION STATEMENTS:

In support of improving patient care, this activity has been planned and implemented by The American Heart Association. The American Heart Association is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

AMA Credit Designation Statement - Physicians

The American Heart Association designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**AMA Credit must be claimed within 6 months of course completion. CE will no longer be available to claim for this course after 6 months of course completion.

AAPA Credit Acceptance Statement – Physician Assistants

AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 1.00 hours of Category I credit for completing this program.

AANP Credit Acceptance Statement – Nurse Practitioners

American Academy of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

ANCC Credit Designation Statement - Nurses

The maximum number of hours awarded for this CE activity is 1.00 contact hours.

**ANCC Credit must be claimed within 6 months of course completion. CE will no longer be available to claim for this course after 6 months of course completion.

ACPE Credit Designation Statement – Pharmacists

ACPE Credit: 0.75 Contact Hours. Universal Program Number: JA0000134-0000-21-020-H04-P

**ACPE Credit must be claimed within 30 days of course completion. ACPE credit will no longer be available to claim after one month of course completion.

Continuing Education Accreditation – Emergency Medical Services

This continuing education activity is approved by the American Heart Association, an organization accredited by the Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE), for 0.75 Basic CEHs, activity number 21-AMHA-F3-0028.

**CAPCE Credit must be claimed within 6 months of course completion. CE credit will no longer be available to claim for this course after 6 months of course completion.

PARTICIPATION AND SUCCESSFUL COMPLETION:

- I. Learners will register through RQI 1Stop or related LMS
- II. Attendees will claim credit on a variety of online LMSs

Successful completion of this CE activity includes the following:

- (1) Complete all portions of the online course
- (2) Complete the course evaluation
- (3) Print the Certificate/Statement of Credit

DISCLOSURE STATEMENT

All persons who develop and/or control educational content in CE activities provided by the American Heart Association will disclose to the audience all financial relationships with any commercial supporters of this activity as well as with other commercial interests whose lines of business are related to the CE-certified content of this activity. In addition, presenters will disclose unlabeled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in course presentation materials.

I. The following authors/faculty have declared NO financial interest(s) and/or affiliations (check for no conflicts) :

Jose G. Cabañas, MD, MPH
Jeanette Previdi, MPH, RN
Bryan Fischberg, NRP
Sarah Livings, PharmD
Kenza Martin, MSHSA, RN, PMP
Amber Hoover, RN, MSN
Comilla Sasson, MD, PhD
Deanna Rodriguez, MBA
Lauren Sanderson, MS

This list represents the relationships that may be perceived as actual or reasonable conflicts of interest as reported on the Disclosure Questionnaire which all AHA volunteers are required to complete and submit. The focus is on relevant financial relationships with commercial interests in the 12-month period preceding the time that the individual is being asked to assume a role controlling content:

TARGET AUDIENCES:

- 1) EMS
- 2) Physicians
- 3) Physician Assistants
- 4) Nurse Practitioners
- 5) Nurses
- 6) Pharmacists

ADA STATEMENT:

RQI Partners is committed to diversity and inclusion as a core value. We are committed to ensuring digital accessibility across all our programs and platforms as meaningful as possible, conforming to Section 508 of the U.S. Rehabilitation Act as amended and endeavors to conform to the W3C level of WCAG 2.1 AA standards.

Accessibility is a priority at RQI Partners, and we are committed to making it a core consideration from the earliest stages of program design through release and life cycle management. We are transparent in our accessibility efforts. We audit and verify our applications using third-party vendors who assess our accessibility compliance through automatic and manual testing with assistive technology devices and users with disabilities.

Our accessibility efforts are underway, and we are continuously updating to improve. We recognize that there may be occasions when users experience difficulty accessing information. If you need assistance with our applications or have any questions or comments about our accessibility, please contact us at RQIQuestions@rainpartners.com
