

Neonatal Resuscitation Program®

Neonatal Resuscitation Program® (NRP®) 8th Edition Pricing and Pre-Order Information

The American Academy of Pediatrics is pleased to announce special introductory pricing for the Neonatal Resuscitation Program® 8th Edition. Customers will be able to request quotes and submit pre-orders for 8th Edition Instructor-led course licenses from RQI Partners beginning April 1, 2021. Orders will be delivered in June 2021.

The NRP Learning Platform™ powered by RQI Partners will begin delivery and full support of the NRP 8th Edition programs beginning June 2021, including NRP Essentials & Advanced Provider courses and the Instructor Bundle.

NRP 8th Edition licenses are available only through RQI Partners.

Instructor-led NRP Course Pricing

Volume pricing not represented. Please email NRP@RQIPartners.com to request a volume quote. Long-term agreements signed by December 31, 2021 will hold the introductory/volume pricing.

INSTRUCTOR-LED COURSE	INTRODUCTORY PRICE <i>Available until December 31, 2021</i>	RETAIL PRICE
NRP Essentials Provider Curriculum	\$35.00	\$45.00
NRP Advanced Provider Curriculum	\$35.00	\$45.00
NRP Instructor Bundle	\$149.00	To be announced

NRP 8th Edition textbooks are purchased separately and are now available for pre-order at Shop.AAP.org.

RQI® for NRP®

If you are interested in RQI for NRP, please visit RQIPartners.com/NRP to learn about the new delivery method and to request a formal quote.

Here you also will find detailed 8th Edition information, informational webinar recordings from the AAP and RQI Partners, transition details, timelines and program FAQs.

Thank you for your deep and ongoing commitment to the safety and health of newborn lives.
